Erratum: Structure of the Cpf1 endonuclease R-loop complex after target DNA cleavage

Stefano Stella, Pablo Alcón & Guillermo Montoya

Nature **546**, 559–563 (2017); doi:10.1038/nature22398

In Fig. 1b of this Letter, owing to an error during the production process, the 5' and 3' labels at the bottom of the structure diagram were inadvertently reversed. This has been corrected in the online versions of the Letter.
