

A photograph of a rusted, vintage car, possibly a 1950s model, parked at a gas station. The car is heavily corroded, with large patches of orange and brown rust covering its hood, fenders, and bumper. The gas station pump is visible on the left side of the frame. The background shows a clear sky and some greenery.

Having a hard time keeping current?

Keep current with the *Nature Clinical Practice* journal in your specialty

From the publishers of the leading science journal *Nature*, *Nature Clinical Practice* journals deliver timely, authoritative interpretations of key medical research findings, providing you with scientifically sound evaluations of new clinical studies and insightful commentaries from leading experts, as well as in-depth reviews on topics of current interest.

Nature Clinical Practice Cardiovascular Medicine
