

Naturejobs is pleased to present a

FOCUS ON POSTGRADUATE POSITIONS

NATURE ISSUE DATE:

23 OCTOBER 2008

DEADLINE FOR ADVERTISERS:

US 16 OCT 2008
UK/EU/ROW 17 OCT 2008

Bright enthusiastic graduates are seeking employment today!

Universities and organizations looking to recruit postgrads for PhD courses or graduate positions need look no further.

The popular *Naturejobs* Focus on Postgraduate Positions is back!

Use this issue of *Nature* to attract top candidates for your postgraduate positions, with world-wide readership over 570,000*, this is an issue not to miss. In addition, naturejobs.com and its section for postgrads will receive a large increase in traffic after the issue is circulated.

The *Naturejobs* Focus on Postgraduate Positions will be a valuable reference for postgraduates world-wide, seeking scientific careers. The Focus is specially labeled and featured at the beginning of the *Naturejobs* section.

- » **Target even more jobseekers online, including passive candidates, with a Job of the Week advertisement on a NPG journal homepage or eToC alert**
