

## NATUREJOBS PRESENTS A HIGHLIGHT ON GERMANY

**NATURE ISSUE DATE: 13<sup>TH</sup> NOVEMBER 2008**

**DEADLINE FOR ADVERTISERS:**  
7th November 2008 / 16.00 CET

The Highlight on Germany is exclusively dedicated to promoting scientific jobs in Germany and with *Nature's* worldwide circulation of over 56,000\* it will provide job advertisements with significant exposure.

Germany is a thriving hub for scientific research and development, with ongoing investment and support from the Government and cooperative institutions, the nation is becoming increasingly attractive to outstanding science researchers and academics.

Maintain Germany's strength in the international scientific arena by showcasing your open positions in front of our world class audience. Promote research positions at your clusters, schools of excellence, or your company and you will attract first-class science professionals and students from around the globe.

Whether you're recruiting, generating awareness or positioning your research facility, the Highlight on Germany provides the competitive edge required to thrive in the global scientific community and will deliver targeted impact.

All job advertisements will receive a complimentary 8-week posting on naturejobs.com – the largest dedicated job board for the scientific community with over 5,000\*\* jobs!
