

## NATUREJOBS is pleased to present a HIGHLIGHT ON INDIA

**NATURE ISSUE:**  
**16<sup>TH</sup> OCTOBER 2008**

**DEADLINE FOR ADVERTISERS:**  
10<sup>th</sup> October 2008

The **Highlight on India** is exclusively dedicated to promoting scientific jobs in India; with *Nature's* worldwide circulation of over 56,000\*, this highlight will provide significant exposure.

Science in India is on the rise, a major global production centre with hundreds of multinational companies in the manufacturing and pharmaceutical sectors setting up research and development centres has created significant attention to Indian science. Science careers in India are becoming increasingly attractive, its best scientists are returning home as laboratories and institutes are getting equipped with state-of-the-art R&D facilities. This feature will be particularly focusing on non-governmental organisations in India and more!

**This Highlight will be a valuable reference for researchers, students and educators in search for career opportunities and discipline-related events in India. It will be eagerly read by those drawn to the specially marked section.**

All job advertisements will receive a complimentary 8-week online posting on naturejobs.com – the largest dedicated job board for the scientific community with over 5,000\*\* jobs!

**Contact your representative to take part in this opportunity today:**
